5. When a Referee is referred by more than one Referrer to become a New Customer of the Company, the Company will use the referral code to ascertain the identity and qualification of the Referrer for obtaining rewards.
6. Referral rewards will be given to the Referrer in four phases. The referral rewards will be given within 7 working days after a Referee successfully becomes a New Customer with the Designated Plan and makes the second, fourth, fifth and sixth pre-payment of the monthly fee of the Designated Plan respectively. Referrers and Referees who claim rewards must concurrently use the services of the Company. Referrers should provide valid Hong Kong bank accounts to obtain rewards. The Company does not accept any change of bank account in the course of obtaining rewards. The Company reserves the right not to grant rewards if the Referee forfeits the rewards or fails to claim rewards because they have provided incorrect information.
7. An extra 2GB of monthly local data is given as a reward to the Referee for a total of two months. The reward is given after the Referee makes the second and fourth pre-payment of the monthly fee of the Designated Plan.
8. There is no upper limit to the rewards a Referrer can obtain.
9. All Referee rewards are non-exchangeable. The Company can replace the rewards with other rewards without prior notice.

If the service is terminated by the customer or the Company for any reason, all rewards will be forfeited without any form of refund.
13. The Company has the right to ask customers who claim rewards to present documents for the purpose of verifying their identity. The Company reserves the right not to grant rewards if the identity of the person who claims rewards is different from that of the applicant (customer) for using the mobile service plan.
14. The customer is required to claim rewards within 3 months, otherwise the rewards will be forfeited without prior notice.
